## **IL 29 Lane Closures in Peoria**

**PEORIA** – The Illinois Department of Transportation announces that IL 29 will be reduced to one lane in each direction from 1.5 miles south of Gardner Ln. to Lorentz Ave. in Peoria, beginning Monday, Aug. 22.

All traffic will use the northbound lanes during this time; northbound traffic will use the northbound right lane, southbound traffic will be diverted into the northbound left lane.

The lane closures are necessary for drainage and hillside stabilization work to be completed, and are expected to be in place until mid-December.

Please slow down and use extreme caution while driving through all work zones.
